## OUR MISSION

As Cheems Billionaire, our mission is to work harder and be transparent. Launched as a meme token, Cheems Billionaire continues its goals without stopping. We realize our goals one by one and we will continue to achieve them. In this way, we consider it our mission to act in the most transparent way towards our investors.

## OUR VISION

As Cheems Billionaire, our vision is broad. Our project is growing day by day. Not long ago, our CoinMarketCap(CMC) listing was successful, just as we promised. Soon we will sign bigger listings with our investors and push our MEME Token to higher places. Stay with us.
